---

**CAREER OBJECTIVE:** I am highly driven 1<sup>st</sup> year engineering student looking for opportunity to use my knowledge and skillset in designing, 3D Modelling. I'll be able to help TCS make greater profits through better design skillset which is what drew me here initially!

## EDUCATION

---

**MIT Academy of Engineering, Alandi**

**2022-2023**

Computer Engineering 1<sup>st</sup> Year

## SKILLS

---

- Technical : AutoCAD Specialization, Fusion 360- 3D Modelling and other relevant skills
- Language : English and Intermediate fluency, Conversational English
- Interest : Organizing Events, Sketching, Conversation with same thinkers, Reading magazines related to designing, Graphics Designing

## ACADEMIC PROJECTS

---

**Name of Project – Car Design**

**Aug 2022 - Sep 2022**

- Gathered with friends and made several designs under the supervision of Victor Teran Designing Club of my college.

**Skills learnt:** Perfection and team-work

## LEADERSHIP & ACTIVITY

---

**Savitribai Phule Pune University**

**Nov 2022**

Anchor | Emcee at Designing Events

- Responsible for anchoring at National Designing Event held within the University Campus
- Liaising and meeting with top design engineers throughout India.

**Skills learnt:** Co-operation and social adaptability

## CERTIFICATIONS

---

- Technical : AutoCAD Specialization, Fusion 360- 3D Modelling and other relevant Certifications
- Language : English and Intermediate fluency, Conversational English
- Interest : Organizing Events, Sketching, Conversation with same thinkers, Reading magazines related to designing, Graphics Designing

## ACHIEVEMENTS

---

- Inter-school Quiz Competition
- 2<sup>nd</sup> Rank in Inter-school Cricket
